Remarks

Room for the whole family! This beautifully designed home welcomes you with a stunning custom rock entry, convenient upper-level parking, and a full pull-through carport. Offering exceptional flexibility, the lower level features four bedrooms, a full bathroom, and a spacious family room with a separate exterior entrance—perfect for extended family, guests, or multi-generational living. Upstairs, you'll find a bright and open kitchen, dining area, living room, laundry room, and a private primary suite complete with a full ensuite bath. Step outside to enjoy a fully fenced backyard with peaceful mountain views. Situated on one acre, this property provides ample space to add a workshop, additional storage, or even a small horse setup. Conveniently located near shopping.
